

USCAP DIAGNOSTIC CYTOPATHOLOGY

Practical Issues for Practicing Pathologists

January 19 - 21, 2008
The Carefree Resort and Villas
Carefree, Arizona

This advanced course is designed to provide updated pragmatic, problem-solving knowledge for practicing cytopathologists and anatomic pathologists. It addresses the resolution of diagnostic pitfalls relative to each of the major organ systems studied by cytopathology/FNA. This course is presented in a lecture format by a distinguished faculty with time allowed for questions and answers. The USCAP is accredited by the ACCME to sponsor continuing medical education for physicians. The Academy designates this educational activity for a maximum of 15 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. The USCAP is also accredited by the American Board of Pathology to offer Self-Assessment Module (SAM) credits for the American Board of Pathology Maintenance of Certification. This course can be used for either CME or SAM credits.
